Pearson BTEC Level Entry 3 Subsidiary Award in Entry to Vocational Study

## Course Overview

This qualification has been designed primarily for post-16 learners who wish to achieve a Level Entry 3 qualification in preparation for future study. The qualification has been designed to meet explicitly the needs of this group of learners in terms of content, assessment and progression. The purpose of BTEC Entry to Vocational Study qualifications is to support learners' skill development in preparation for higher-level learning, therefore increasing opportunities for learners to progress.

Learners study one mandatory unit (Skills for Learning) and one optional unit. The optional unit is currently Customer Services but varies depending on the cohort.

## Career Progression

This qualification is not designed to lead directly to employment but will provide for the development of transferable skills, which are valued by employers.

## Key Facts

### Course Duration

70 guided learning hours

### Entry Level Requirements

N/A

### Assessment

Work is assessed through a mixture of practical and written assignments. Learners are given the opportunity to demonstrate skills developed through evidence gained in vocational contexts.
