

# ENGLISH

## Functional Skills Entry Levels and Level One and Level Two

## Key Facts

### Course Duration

One-Two years

### Entry Level Requirements

You will be placed on an English qualification which is suitable for your level but builds on what you have already achieved.

### Assessment

The Edexcel Functional Skills Assessments are offered at Entry Levels 1,2,3 and Levels 1 and 2. The assessments consist of three parts: reading, Writing and Speaking and Listening. Each is worth one-third of the total qualification. Examinations will take place at the end of the academic year.

## Course Overview

At the start of the course you may be asked to complete an assessment to identify your starting point and areas of English you find difficult. This is to enable you to make good progress because we will know exactly what you need to learn. Much of your learning in English will be contextual and supported by all the activities you undertake. You will focus on letter writing, sending emails, reading and understanding different texts and taking part in discussions.

You will become more confident in communicating with others in a range of everyday situations. You will be encouraged to read throughout the week to improve your vocabulary and general knowledge.

## Career Progression

Your qualification will be recognised by employers and other colleges when you are applying for work or study.

LINK19 College based at NKC, Lower Higham Road, Kent, DA12 2JJ
